WORLD WAR II MUSEUM

SATURDAY, OCTOBER 15, 2022

The national WWII Museum tells the story of the American experience in the war that changed the world—why it was fought, how it was won, and what it means today—so that all generations can understand the price of freedom and be inspired by what they learn. Through exhibits, multimedia experiences, and thousands of personal accounts, the Museum takes visitors on an immersive tour of World War II in every theater of war.
